Dear Sam Jakobs,

This document is for public release based on your information on Hershel Daniels Junior LLC which was created as a family office company that this Juneteenth became the center of creating 1,000 partners in 2024 based on the statement, I, Hershel Daniels Junior, made at the second session of the United Nations Permanent Forum on People of African Descent in an official side event on May 30th 2023.

That statement read, "Friends of the African Union will propose Reparatory Justice for People of African Descent for the history of the 34M in the global African slave trade from the 7th century AD though 1962. This Black Folks Plan Reparatory Justice Update of 2023 was originally proposed at the Commission on the Status of Women 67th meeting with unveiling of the \$75 Trillion Global Compact for Democracy with a #JustEconomy to Pandemic Proof the World using the Daniels IDIQ, over \$620B in bank based community benefit agreements created since 2016 and the 7 Pillars of Social Justice with African Capitalism."

The United Nations Permanent Forum on People of African Descent was created by the United Nations General Assembly on August 2nd 2021 as a consultative organization to the UN on 1/3 of the human population, 1.6B plus People of African Descent. Friends of the African Union, a Hershel Daniels Junior LLC client, has been reconfigured in support of this organization and the people it serves. Hershel Daniels Junior LLC will support the Friends of the African Union proposed global Reparatory Justice for People of African Descent through the 1,000 partners based, in part, on the Community Benefit Agreements (CBA) it is a signature to currently such as the 4 year (2022-2025) \$88B PNC Bank CBA and as a member of the National Community Reinvestment Coalition who has created over \$620B of these CBA's with 27 Federal Reserve Banks since 2016.

This Black Folks Plan Reparatory Justice Update of 2023 which was originally proposed at the Commission on the Status of Women (CSW) 67th meeting was put forth by me as a He for She proposal using a business process framework called the Friends of the African Union smartWISE Community Reinvestment Coalition(s). HeForShe was founded by United Nations Women as an invitation for men to stand in solidarity with women to create a bold, visible and united force for gender equality. I do that through the CSW. In doing this work I stated that in actions carried put during Friends of the African Union Juneteenth Week 2023 (June 12th through June 17th, 2023) that I planned to form a technology joint ventures.

Hershel Daniels Junior LLC

Today I am writing to express our intent to form the first of those joint ventures between Aluf Tech, Inc. and Hershel Daniels Junior LLC (HDjLLC). This joint venture will serve HDjLLC clients such as Friends of the African Union (FAU) and its affiliates and partners for the development of our joint ventures business management system.

Aluf Tech, Inc. (AHIX), a publically-traded company on the OTCBB, is spearheading the Globalization and Revitalization Initiative, focused on developing cutting-edge business solutions, technology solutions, and life solutions for the 21st century. Emphasizing the importance of global unity, Aluf Tech aims to promote the continued progress of the international community as a whole, transcending the limitations of competition between nations. As a leading provider of diversified services, Aluf Tech enables businesses and individuals to thrive in a rapidly changing world through a commitment to excellence, innovation, and social responsibility. The company offers a comprehensive range of solutions tailored to address the evolving needs of its clients.

I understand that AHIX is a technology firm specializing in the development of innovative business solutions. It has a proprietary business management system that can be successfully implemented in various organizations such as with the Friends of the African Union (FAU) thereby helping them to improve their operational efficiency and profitability. It will create a unified Digital Management System needed to unify the FAU members aiding in promoting and implementing goals and objectives while revitalizing the FAU's associate involved.

We look forward to this proposed joint venture that will involve a collaborative effort between AHIX and HDjLLC with Friends of the African Union along with its affiliate partners and ventures. Together we will develop and implement a customized interactive proprietary business management system specifically designed for People of African Descent businesses, starting in the USA. We believe that this collaboration will not only benefit both our organizations but will also contribute significantly to the economic growth of the People of African Descent.

Hershel Daniels Junior LLC has a Memorandum of Understanding with Friends of the African Union and its affiliate partners many of whom are non-profit organizations in support of the economic development and well-being of People of African Descent, worldwide. We agree that by combining our expertise and resources, we can develop a business management system tailored to meet the unique needs of People of African Descent businesses. In the USA there are, according to the US Census Bureau, there are 10M black owned businesses in the USA. The joint venture will involve sharing knowledge, expertise, and resources to develop the business management system in service to those businesses. We also envision joint marketing efforts to promote the system as well as other beneficial technology driven platform and tool to potential clients across the continent as well as domestically.

Sincerely,

Hershel Daniels Junior
